Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **Global Journal of Biotechnology and Biochemistry Research (GJBBR)**, which publishes top-level work from all areas related to Biotechnology & Bioengineering. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@ripulation.com). More information on the journal and the publishing process can be obtained at: www.ripulation.com/gjbb.htm

The Global Journal of Biotechnology and Biochemistry Research (GJBBR) is an international journal, Areas and subareas of interest include (but are not limited to) molecular biology, biochemistry, microbiology, pharmacology, protein chemistry, cytology, neurobiology and neurosciences, genetic engineering, microbial biotechnology, plant biotechnology, animal biotechnology, marine biotechnology, environmental biotechnology, biological processes, industrial applications, bioinformatics, Biochemistry of the living cell, Bioenergetics, Bioenergetics, Inorganic biochemistry, Innovation in biotechnology and bio-ethics and more..

Submission: Authors are requested to submit their papers electronically to submit@ripulation.com with mention journal title (**GJBBR**) in subject line.

Author benefits:

The benefits of publishing in **Global Journal of Biotechnology and Biochemistry Research (GJBBR)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
