Call for Papers

Editor-in-chief:

Prof. Dr. Hassan Moawad Abdel Al

Professor of Microbiology

ex-President of Mubarak City for Scientific

Research and Technology Applications

National Research Centre, Cairo, Egypt

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Biotechnology & Biochemistry (IJBB)**, which publishes top-level work from all areas related to Biotechnology & Biochemistry. More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijbb.htm

The **International Journal of Biotechnology & Biochemistry (IJBB)** is an international research journal, which publishes top-level work from all areas related to Biotechnology & Biochemistry. It covers from molecular biology and the chemistry of biological process to aquatic and earth environmental aspects, as well as computational applications, policy and ethical issues directly related to Biotechnology. Molecular biology, genetic engineering, microbial biotechnology, plant biotechnology, animal biotechnology, marine biotechnology, environmental biotechnology, biological processes, industrial applications, bioinformatics, Biochemistry of the living cell, Bioenergetics, Bioenergetics, Inorganic biochemistry, Innovation in biotechnology and bio-ethics, Biotechnology in the developed and developing world, Management and economics of biotechnology, Political and social issues and others are some of the main subjects considered.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJBB**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Biotechnology & Biochemistry (IJBB)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Dr. Hassan Moawad Abdel Al, Editor-in-chief

International Journal of Biotechnology & Biochemistry
