Call for Papers

Editor-in-chief:

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Lakes and Rivers (IJLR)**, which publishes and provide comprehensive information on all inland water bodies; lotic (running water) systems covering rivers, their branches, streams, tributaries and estuaries, irrigation canals and drains, as well as lentic (standing water) systems covering shallow lakes, great lakes, saline lakes, reservoirs, ponds and swamps. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijlr.htm

The International Journal of Lakes and Rivers (IJLR) is an International journal. The IJLR cover all disciplines and branches of physical, chemical, biological and geological limnology, paleolimnology and the relevant topics; water color, pH, salinity, heavy metal pollution, water quality, adsorption/desorption processes, lake surface microlayer, fishery management, water system modeling, estuarine modeling, lake and reservoir management, river and stream management, groundwater/ surface water interactions, wetlands for water treatment and more..

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJLR**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Lakes and Rivers (IJLR)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Editor-in-chief

International Journal of Lakes and Rivers (IJLR)
