#### Call for Papers

#### Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Mechanics Structural (IJMS)** which is publish top level work to all areas of Mechanics Structural. All submissions should be made electronically to the Editor-in-chief through: (EIC: [irpeditor@gmail.com](mailto:irpeditor@gmail.com)). More information on the journal and the publishing process can be obtained at: [www.irphouse.com](http://www.irphouse.com)

The International Journal of Mechanics Structural (IJMS) is an international scholarly journal, which offers prompt publication of structural design, this journal publishes peer-reviewed technical papers on state-of-the-art topics and future developments of the profession. Engineers, consultants, and professors detail the physical properties of engineering materials (such as steel, concrete, and wood), develop methods of analysis, and examine the relative merits of various types of structures and methods of fabrication. Subjects include the design, erection, and safety of structures ranging from bridges to transmission towers and tall buildings; technical information on outstanding, innovative, and unique projects; and the impact of natural disasters and recommendations for damage mitigation.

**Submission:** Authors are requested to submit their papers electronically to [irpeditor@gmail.com](mailto:irpeditor@gmail.com) with mention journal title (**IJMS**) in subject line.

#### Author benefits:

The benefits of publishing in **International Journal of Mechanics Structural (IJMS)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

*With kind regards,*

Editor-in-chief
