Call for Papers

Editor-in-chief:

Prof. Taekyun Kim,

Division of General Education-Mathematics,

Kwangwoon University,

Seoul 139-704,

Republic of South Korea.

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **Global Journal of Pure and Applied Mathematics (GJPAM)**, which publishes top-level work from all areas and subareas of mathematical analysis and their broad range of applications. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/gjpam.htm

The Global Journal of Pure and Applied Mathematics (GJPAM) is an international research journal, Areas and subareas of interest include (but are not limited to) approximation theory; statistics; probability; fluid mechanics; Fuzzy mathematics; wave propagation; special functions; algebra and applications; coding theory; fractional analysis; solid mechanics; variational methods; asymptotic methods; mathematical physics; convex analysis; applied harmonic analysis; optimization; wavelets; signal theory; ultrametric analysis; optimal control; fixed-point theory and applications; discrete mathematics; automata theory and more...

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**GJPAM**) in subject line.

Author benefits:

The benefits of publishing in **Global Journal of Pure and Applied Mathematics (GJPAM)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year.
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Prof. Taekyun Kim, Editor-in-chief

Global Journal of Pure and Applied Mathematics
