Call for Papers

Editor-in-chief:

Kasim Abass Askar,

Faculty of Science and Technology,
University of Plymouth,
Plymouth, Devon,
United Kingdom

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Biotechnology and Bioengineering Research (IJBRR)**, which publishes top-level work from all areas of which publishes top-level work from all areas related to Biotechnology & Bioengineering Research. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijbbr.htm

The International Journal of Biotechnology and Bioengineering Research (IJBRR), is an international research journal, genetic engineering, microbial biotechnology, plant biotechnology, animal biotechnology, marine biotechnology, environmental biotechnology, biological processes, industrial applications, bioinformatics, Biochemistry of the living cell, Bioenergetics, Bioenergetics, Inorganic biochemistry, Innovation in biotechnology and bio-ethics and more..

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJBRR**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Biotechnology and Bioengineering Research (IJBRR)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Kasim Abass Askar, Editor-in-chief

International Journal of Biotechnology and Bioengineering Research
